

① Lee H. Oswald was not a Communist & the Fair Play for Cuba Committee was merely a cover — "This has been established."

② Mounting evidence pts to a deep involvement of the CIA & anti-Castro Cuban action in N.O.

③ It is now known that Oswald was engaged in an enterprise here in summer of '63 in connection with which he was in the constant association of Cubans

⑤ Sergio Aracocha & Smith.
The headquarters copy of the Crusade to Free Cuba lists Aracocha as a worker in section 7 which is De Saix Blvd. and Yunkilly to ~~the~~ Lake, Wisher Blvd to Elysian Fields.

— head of Cuban Revolutionary Democratic Front - Feb at 544 Camp, mid '62

— Friends of Demo. Cuba, a
CIA front operated in early 61,
appears that Arcacha + many
of people named in investigation
involved in this movement.
(Arcacha and Quiroga were among
those w/ the most Anti Castro revolutionary
fervor.)

⑥ — Quiroga was the driver rt hand
man + go-between for Arcacha.

— co-chairman for youth of the
Crusade to Free Cuba.

⑦ Ferrie — told a close friend
that in 1961, after D.J. Pigo,
he was working for CIA.
In proof he told him that he
made a landing in Cuba w/ group
of Anti-Cas insurgents, stabbed
by a Castro guerrilla. His autopsy
revealed that he had a
12-15-inch scar. The DA's
file has photo of scar

— frequently seen in office of Bonnier

⑧ - Guy Bannister:

a close associate of many yrs.
says he was deeply involved in
anti-comm. activities & was the
liaison man for numerous
Latin-America revolutionary movements
working w/ a U.S. Intelligence
Organization —

" Guy partook in every
rev.-wing South & Central Amer.
revolution that came along
while he had the ofc. In
Lafayette st.

— munitions were seen in
his home on several occasions
early in 61

⑨ frangible bullet — outlawed
by Geneva, manufactured
almost exclusively by the Italian
and ~~European~~ U.S. govt's
disintegrate on impact, making
a large wound, leaving no
projectile of any size

DA's home has bullets to fit
Italian rifle found in TSBD

(10) Oswald - DA's Jc. believe
O's notebook contains obviously
coded telephone no's, other
enciphered mat'l, together
w/ ~~some~~ references to micro-dot
film. Oswald trained at Atsugi
AFB in Japan, a known CIA
training ground.

(11) Why was Kennedy killed?

- after Bay Pigs, it was made
w/ CIA because of the
disaster; yet CIA continued
to operate here in late 61 +
early 62, & in the planning
of Cubans for additional insurgent
activities against Castro.

2 separate commando groups
being trained in NO area in
early 63, one covert, one overt.

eventually ~~covert~~ group moved
back to Miami, other disappeared.

On July 31, 1963 The FBI
sighted a ton of munitions near
where one of the groups had

been running in St. Tammany.
100 lb bomb casings; powder,
primer wad, percussion caps &
other explosives

This was considered by fervent
anti-Castro Cubans to be a final
disavowal of their activities
and their anger was aroused.
Earlier -

In October, 1962, ~~anti~~ anti-Castro
Cuban sentiments were aroused by
that they considered K's failure
to follow up on the Cuban missile
crisis by retaking the Castro-dominated
Carib. Isle.

While Oswald was reportedly fired
from his job at the Reilly
Copper Co., block away, July 19
1963, making Oswald feel the
Warren Commis he "lost his
job" in Aug.

Again, it was July 31 that the
faconbe, munitions cache
from Philly, was raided by
The FBI.

Even after the overt
Cuban training came departed,
Oswald reportedly continued
his ass'n. with - Castro
Cubans, & was seen frequently
in the company of a Cuban
described as powerfully
built.

(12) Gordon novel, a fug. urban,
has said that he, Aracacha,
Ferre, Shaw & other figures
in the Garrison investigation all worked
for the CIA, altho he has denied
~~the~~ publicly being a CIA agent.
novel has told the story to
friends & associates. It has been
confirmed by sources close to
him & by mounting circumstantial
evidence.

(13) Oswald was known to have passed
out pro-Castro leaflets at ITM
at the same time that a militant
anti-Castro group led by Ferrie
was demonstrating close by.

His role is pictured in the Garrison
investigation as that of an undercover
agent provocateur - who aided the
anti-Castro movement by providing

~~to~~ palpable evidence of real activity. He was a revolutionary looking for a revolution - any revolution.

(14) On Friday, Nov 3, 1967, perhaps
- the strongest revelation appeared
in The NY Times News Acct.
